

2009 Biotech Golf Network Monthly Sponsorship Opportunities

One of the things that makes the Biotech Golf Network Tournaments so fun for everyone involved is the support we receive from local companies. We receive contributions from the smallest firms to the largest - it's all about creating a great tournament at a reasonable price for BGN participants.

Sponsorship Information

Monthly sponsorship covers the cost of hole contest prizes. Generally there are 4 contests per outing: Two longest drive contests, and two closest to the pin contests. Sponsorships are a minimum of \$200 and can be provided either as a cash donation or actual contest prizes (min of \$50/each).

Companies can choose to sponsor one or more monthly outings.

Sponsors receive recognition in monthly event email announcements, at the outing, and when prizes are distributed. To protect the privacy of our members, BGN does not provide member lists, or special pairings or introductions to specific members.

If you are interested in sponsoring a monthly golf outing, please contact Danielle Thach at dthach@pharmatek.com or (858) 805-6383 x316.
